Place Names

On NZ Maritime charts some place names do not appear. Sullivans Bay where beach and dingy race activities are held is marked as Otarawao Bay. Nor is Scotts Landing where the prize giving, marquee and band are held after the regatta. It is situated upriver just north of Casnell Island, recognisable by the old homestead (Scott Homestead) on the beach-front.

Pontoon Wharf – Scotts Landing

Accessible to yachts only at high water. Almost dry at low tide. Please keep dinghies clear of piles.

Parking

Parking at Scotts Landing is very limited and the dirt road to Scotts very narrow, we recommend you make use of the free shuttle bus on the Saturday evening. Parking will be signposted and the service is gold coin donation. Cars may be towed if they are parked and restricting traffic on the dirt road. Access must be kept clear for the shuttle bus and St John ambulance.

SUBSCRIPTIONS

Become a member and be informed of our yearly activities. Still the cheapest in the Southern Hemisphere—\$15 for the coming year. Please forward your cheque with or without your entry fee by 20 January 2018 to PO Box 555, Warkworth 0941.
